STRONG RESULTS FROM START TO FINISH.

Powerful performance and productivity. That's what you get with the combination of heavy-duty commercial-grade construction, the stability of four-wheel steering and the ease of steering-wheel control. Add a premium elasticity vibration control seat with armrests and even the toughest commercial job can be a comfortable ride.

INDUSTRY-LEADING FEATURES. THAT'S THE STRENGTH OF THE **CUB CADET ADVANTAGE.**

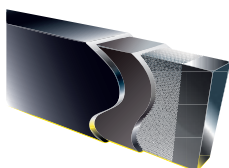

INCREDIBLE MANEUVERABILITY AND CONFIDENCE

Cub Cadet pioneered patented Synchro Steer™ technology, a system of four-wheel steering with steering-wheel control, to give the professional a higher level of stability, precision and ease of use on virtually any terrain. This technology helps make mowing more efficient and, by virtually eliminating turf damage, enhances results.

THE POWER OF KOHLER® COMMERCIAL-GRADE ENGINES

The high-performance Kohler engine means greater torque than ever and the heavy-duty air filtration system ensures that it can consistently run at full throttle. That means you get incredible results at an incredible pace.

UNBEATABLE CORROSION PROTECTION AND DURABILITY

The Cub Cadet Triple Guard Corrosion Defense System™ with E-Coat delivers automotive-grade corrosion resistance against the elements and wear and tear, ensuring complete protection of critical components for years of reliable performance and a lasting professional appearance.
